Winter Discount Offer

Just a very quick newsletter this month - we'll have more news for you in December.

Along with many other small businesses, we don't do "Black Friday" - that's something we leave to the bigger companies. However, we do like to have a Winter special so, from now until 18 December, you can get **10% off all full price skeins and kits** in the webstore. Use the code **WINTER21** at checkout to qualify for the discount - you can use the code as many times as you like. We're constantly adding new skeins and kits to the site, so check back often.

The offer will also apply to any custom orders placed during the same period so, if there's something you've been thinking about for a while, get your order in now!

Gift Orders and Vouchers

If you'd like us to post an order direct to someone as a gift, we're happy to do that for you. We always wrap items in tissue and tied with a ribbon anyway, but if you note on the comments box that the order is a gift, we'll also include a small gift tag with your name and any message you'd like included. We'll also ensure no prices are shown on any of the items purchased.

If you'd like a larger order sent in a gift box, either for yourself or someone else, please get in touch as we have boxes suitable for our garment kits or multiple skeins.

Don't forget we also offer gift vouchers which can be sent to you or direct to the recipient. More details here: https://www.watercoloursandlace.co.uk/store/p2006/Gift_Vouchers.html#/
